# 4x3 Event Badge

## Double Notch with Timing Marks

### Single Sided

#### General Tips

- Place your artwork on the **"Your Design" layer**
- Edit and save your files in **CMYK**
- Outline **all** text before saving (select **all** layers, under the "Type" menu select "Create Outlines").
- Use vector artwork for best results. Images in your design should be **300ppi** or higher.
- We recommend saving as a **PDF/x-1a**

#### Bleed

Make sure your background extends 0.125" to fill the bleed and avoid white on edges when trimmed. We recommend a common top to bottom bleed color to avoid possible color misalignment along perforation.

#### Trim

Where your badges will be cut

#### Safe Area

Make sure to keep important aspects of your design such as logos and text within the safe area.
